SADAQA APP

"Sadaqa App: Giving with Purpose, Blessing with Secrecy."

About SADAQA APP

— — —

Sadaqa App is a community-focused platform designed to support **mosques**, **orphanages**, **care homes**, and other communal spaces by facilitating direct Sadaqa contributions from the Muslim community in **Tanzania**.

Our mission is inspired by the teachings of **Prophet Muhammad (peace be upon him)**, as narrated in Sahih Bukhari (Volume 2, Book 24, Number 504):

"Seven people will be shaded by Allah under His shade on the Day when there will be no shade except His... (6) A person who practices charity so secretly that his left hand does not know what his right hand has given."

Charity given in secrecy is among the noblest deeds, and the **Sadaqa App** aims to make this act of worship easy, accessible, and impactful. By connecting donors directly with the right causes, we strive to empower the **Muslim Ummah** to uphold this virtuous tradition of giving.

May Allah grant us all success in this endeavor. **Wabillahi tawfiq.**

Scope

— — —

The Sadaqa App is a platform dedicated to fostering a culture of generosity within the Muslim community. It bridges the gap between donors and charitable institutions such as mosques, orphanages, care homes, and other communal spaces. The app ensures that donations are delivered directly, securely, and transparently to the intended beneficiaries.

Through innovative technology and adherence to Islamic principles, the Sadaqa App aims to simplify the process of giving Sadaqa, Zakat, and other charitable contributions, enabling Muslims in Tanzania to fulfill their obligations and support their community with ease and confidence.

Objectives

— — —

1. **Facilitate Seamless Charity:** Provide a user-friendly platform that allows Muslims to contribute Sadaqa, Zakat, and other donations effortlessly.
2. **Support Key Beneficiaries:** Focus on aiding mosques, orphanages, care homes, and other vital communal spaces.
3. **Promote Transparency:** Build trust by offering real-time tracking and updates on how donations are used.
4. **Encourage Secret Giving:** Align with the Islamic value of discreet charity, ensuring donors can give without drawing attention.
5. **Empower the Muslim Ummah:** Strengthen communal bonds by making it easier for individuals to identify and support nearby charitable entities.
6. **Inspire Acts of Worship:** Remind users of the spiritual rewards of charity, drawing from the teachings of Prophet Muhammad (peace be upon him).

SADAQA APP

APP DEVELOPMENT REQUIREMENT

1. Executive Summary
ClickIt Solutions is pleased to present this proposal for the development of a Donation Platform. The platform will enable users to donate to orphanage centers and provide Sadaqah or other forms of support to mosques in their vicinity or chosen areas. By offering a seamless and user-friendly interface, the platform aims to foster a sense of community and promote charitable contributions efficiently

2. Project Scope and Objectives
Scope:
- The scope includes building user, admin, and charity center interfaces for managing and tracking donations.

Objectives:
- Facilitates donations to orphanage centers and mosques.
- Allows Islamic followers to give Sadaqah and other charitable support easily.
- Enhances transparency through donation tracking.
- Simplifies the process of locating and supporting nearby charitable entities.

3. Features and Functionalities
User Features:
- Registration and Login: Secure user authentication using email or phone numbers.
- Donation Options: Select orphanage centers or mosques from a list or locate them via geolocation.
- Recurring Donations: Option for users to set up recurring payments
- Payment Integration: Secure payment gateway to process donations.
- Donation History: Track previous donations and generate receipts.

Charity Center and Mosque Features:
- Profile Management: Each entity can create and manage its profile.
- Request for Support: Centers can post specific needs or campaigns for users to donate toward.
- Transaction History: Access to all donation records and donor details.

Admin Features:
- User Management: Oversee and manage all platform users.
- Charity Verification: Authenticate and approve orphanage centers and mosques.
- Monitor Platform Activity.
- Donation Analytics: Generate reports on donation trends.
- Content Moderation: Manage posts and campaigns.

4. **Development Process**

- Requirement Gathering and Analysis: Collaborate with the client to finalize the platform's requirements.
- UI/UX Design: Wireframes and mockups for user, driver, and admin panels.
- Development: Implement all features.
- Testing: Conduct functional, performance, and security testing.
- Deployment: Launch the platform on web and mobile platforms.

Milestone	Deliverables	Timeline
Milestone 1: Design	Wireframes and UI/UX mockups	1 Weeks
Milestone 2: Development	All users features Development	2 weeks
Milestone 3: Testing	Bug fixing and final app testing	1 weeks
Milestone 4: Launch	Deployment to app stores and training	1 weeks

Total Project Duration: 5 weeks

6. Payment Terms
We propose the following payment structure:
- 40% upfront payment upon signing the agreement.
- 20% upon completion of the design phase.
- 30% upon completion of development.
- 10% upon final testing and launch.

7. Post-Launch Support
We offer three months of complimentary post-launch support to:
- Fix any bugs or technical issues.
- Provide minor updates or adjustments.
- Offer guidance on app management.

Extended support packages are also available upon request.

8. Terms and Conditions
- All deliverables are subject to mutual approval before proceeding to the next phase.
- Ownership of the source code and app assets will be transferred to the client upon final payment.
- Confidentiality will be maintained for all shared information and data.
- ClickIt Solutions reserves the right to include this project in its portfolio unless otherwise agreed upon.

9. Contact Information
For further discussions or clarifications, feel free to contact us:

In a world where acts of kindness and community support hold the power to transform lives, the **Sadaqa App** aspires to be a beacon of hope and convenience for the Muslim Ummah. Guided by Islamic principles and inspired by the teachings of **Prophet Muhammad (peace be upon him)**, our platform seeks to simplify and enhance the act of giving, ensuring that Sadaqa reaches those who need it most, discreetly and effectively.

By fostering a culture of generosity, transparency, and accountability, the Sadaqa App is not just a tool for charity—it is a step toward strengthening the bonds of brotherhood and compassion within our community. Together, we can create a future where giving is effortless, impactful, and a source of blessing for all involved.

May Allah bless this endeavor and grant us the ability to serve our community faithfully. Wabillahi Tawfiq.
